A Big Success.
 "My wife was in bed two years with a complication of disorders her physicians could not cure, when I was led to try Parker's Ginger Tonic. It was a big success. Three bottles cured her, at a cost of a dollar and fifty cents, and she is now as strong as any woman."—R. D. Buffalo.

The Mabry Case.
 The case of the State against Jos. A. Mabry, sr., and Jos. A. Mabry, jr., charged with the murder of Don C. Lusby and his father, Moses Lusby, progresses slowly, and the indications are it will consume the rest of the week in the Criminal Court. The jury was obtained Monday evening, it will be remembered. Yesterday the Court had to wait all the forenoon, on account of the absence of Col. W. A. Henderson, of counsel for the defense, who was engaged in the Circuit Court.

Immediately upon the assembling of court at 1:30 p. m., the witnesses for either side were sworn and sent out, and the case was gone into. Recorder C. C. Nelson was the first witness called for the State. He was examined at length, and after him Chief of Police W. H. Harper, who had arrested Don Lusby, at the time of the killing, and Corporal E. H. Hood after him. The evidence of these three consumed the afternoon and was, in substance, the same as has been published by us. The Court then adjourned till 8 o'clock this morning.

A Loss Prevented.
 Many lose their beauty from the hair falling or fading. Parker's Hair Balsam supplies necessary nourishment, prevents falling and grayness, and is an elegant dressing.
